Vedanta Society, Sacramento*

Stand upon your own feet and take the whole responsibility upon yourself. ... Let the dead past bury its dead. The infinite future is before you, and you must always remember that each word, thought, and deed lays up a store for you. As the bad thoughts and bad works are ready to spring upon you like tigers, so also there is the inspiring hope that the good thoughts and good deeds are ready with the power of a hundred thousand angels to defend you always and forever.

Quote from Swamiji's Jnana Yoga as related in Stories of Vedanta Monks by Swami Chetanananda P 136

All are Welcome!
